In 2011, Chris Monroe started training her GSD, Tobias Von Jaeger, with the National Association of Canine Scent Work (NACSW™). As a puppy, Toby showed a lot of drive, and focus for work. He needed a job! Chris discovered that K9 Nosework® was perfect for him. Since then Team Toby has earned their NW1, NW2, NW3, NW3-Elite. And Elite Level 1. Chris is a certified CNWI with the NACSW™. As a tribute to Toby, Jaeger Scent Training was established.

Chris also works with Pongo, an twelve year old Labrador retriever. They are a certified Crisis Response team with HOPE Animal Assisted Crisis Response. Their membership includes the American Red Cross and CERT (Community Emergency Response Training). As a Pet Partner therapy dog team they volunteer with Whatcom Therapy Dogs, and Peace Health St. Joseph's Medical Center.
